July 13, 2016

Quotes are being requested by Roosevelt Township for loading, hauling, and truck spreading approximately 11,395 cubic yards of Class 5 on township roads.

- **4115 cubic yards of Class 5 gravel from Township pile at Dirt Doctor Pit. 3015 cubic yards to Bellview Drive and 1100 cubic yards to North Platte Lake Road.**
- **3780 cubic yards of Class 5 gravel from Township pile at Alex & Ann Smude Pit to: Oxcart, Westward Ho East, Sante Fe Trail, Eldorado, Willow, & Poplar Drive.**
- **3500 cubic yards of Class 5 gravel from Township pile at Alex & Ann Smude Pit to Camp Lake Road.**

Must be completed by October 31, 2016.

Contractor is responsible for loading, hauling and spreading gravel on road.
Township will provide gravel, blading, and point person.

Quote must include cost per cubic yard.

Payment is made after the Township Road Supervisor approves the work and at the Board Meeting on following completion.

A copy of Certificate of Insurance and Workers Compensation must be provided prior to beginning work.

Quotes must be sent or hand-delivered to Bonnie Orton, Township Clerk, 24561 Williams Rd, Hillman, MN 56338. Phone 320-247-2105.

Quotes must be received by 7 pm, August 8, 2016, before the start of the regular Board Meeting.

Quotes will be reviewed at the August 8 Board Meeting.

Please contact Rick Hennes, Road Supervisor (320-277-3395) if you have any questions.
